Respected Sir,

Sub: Submission of my Part-Time Ph.D Application and a Request-Reg

Ref: Your Advt inviting Applications for PT Ph.D Programme in your University Website

I have worked as Assistant Professor in the Department of Mathematics, Velammal Engineering College, Chennai from 2006 to 2016. During that period, I had an opportunity to register under **Prof.Dr V.Yegnanarayanan** for my Ph.D degree programme at Anna University and I have completed successfully my course work and the process of registration. But due to unforeseen circumstances beyond our control and due to non-academic reasons, I could not complete. I was progressing well and earned through hard work a good publication in a SCOPUS indexed International Journal of Advanced Intelligence Paradigms in 2014 under his guidance. In view of this, I request you to give me an exemption from coursework and permit me to submit my thesis in three years time. I have confidence and will definitely earn worthy publications in SCI/SCIE journals with impact factor. I am also aware that KARE is an excellent University and encourages genuine research scholars. Hence it gives me pleasure to be associated with KARE and hope to become a doctorate from your esteemed University.

Yours Sincerely,

G.CHITRA
