Respected Sir/Madam

This is to inform that I have completed M.E(Computer science and engineering) at Mepco Schlenk Engineering College, On june 24,2021 the final viva was conducted. So still i didn't receive my mark statement. For applying Ph.D degree certificates, mark statements and transfer Certificate is mandatory i don't have these 3 things. So I will show the original document at the time of verification. Thank you.

Yours sincerely,

V.Arthi
