**Subject:** Request for Consideration of Ph.D. Admission – Delay in B.Sc. Degree

Certificate & M.Sc. Final Completion

**Dear Sir/Madam,**

I am writing to express my interest in applying for the Ph.D. program in Food Science and Nutrition at Kalasalingam University. I am currently pursuing my Master's degree in Food Science and Nutrition (June 2023 – July 2025 batch) and am highly motivated to continue my academic journey through research at your esteemed institution.

I would like to inform you that my B.Sc. ( ZBC ) degree certificate is currently unavailable due to being misplaced. I have applied for another certificate from the concerned university, and the process is expected to take approximately 45 days. In addition, since I am still pursuing my M.Sc., I request the admission committee to kindly consider my application provisionally, subject to submission of the final M.Sc. degree and pending B.Sc. certificate upon completion and receipt.

I assure you that **all required documents will be submitted promptly as they become available.** I sincerely hope for your kind consideration and support in allowing me to proceed with the admission process.

Thank you for your understanding. I look forward to the opportunity to contribute to the research excellence at Kalasalingam University.

**Warm regards,**

Mr. S. Seshathiri
