To Whom It May Concern

This is to certify that Ms. Shamini James has been serving this college as Assistant Professor of Management in the Department of Humanities since March 2010. I have found her to be a conscientious and competent teacher who has been very cooperative with the authorities as well as the faculty and students. She has been very effective in guiding and motivating students in their various curricular and co-curricular programmes.

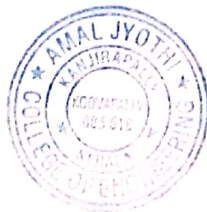

Ms. James was selected as the top performing faculty of the College in 2013 through a process involving feedback from all stakeholders and performance analysis. She has been coordinating the activities of the Career Enhancement Cell of the College since its inception in 2015. In producing excellent results in university examinations also she has consistently been at the top.

Ms. Shamini James can be trusted to work for the best results in tasks assigned to her.
