- b) identify in advance any materials, personnel systems needed in the field and make recommendations regarding solutions for any development or installation issues that may arise (upon consultation with and approval by IMU)
- c) professionally and competently represent IMU at each and every project location
- d) manage any onsite support provided by or through IMU or its other independent contractors
- e) provide/ensure all required checks, verifications and confirmations for each and every portion, stage, component, sector and the entire finished THUNDER © product[s] are per intended outcome per Schedule "A" attached hereto.
- f) Outline and oversee the test protocol and accomplishment milestones on a continuous basis to ensure integrity of schedule, budget, and IP development to coalesce with the completed version of THUNDER ©.
- g) Stand ready willing and able to oversee the full operational commissioning of THUNDER © according to agreed design and adapted parameters and standards required.

2. SERVICES CONSIDERATION- PAYMENT TERMS & CONDITIONS

It is projected and agreed that this game development software oversight management role and capacity should allow based on current information for the timely completion of full-scale consumer ready testing all as set out in Schedule "A".

Payment of specified consideration shall be based on the accomplishment of Milestones within time and within budget assumption recognizing the necessary flexibility of scheduling and potentially budgets to accomplish the intended objectives as stated and agreed pursuant to Schedule "A" attached hereto.

KK has provided and IMU is agreeable to the indicated rate for services further broken down and quoted hourly as included in Schedule "A" including all necessary labor, equipment, travel costs and related materials.

INDEPENDENT SERVICES AGREEMENT [ISA]

Issues of modification and alteration to be agreed by IMU in consultation with KK in writing in advance so that corrections, modifications, adjustments, pivoting, changes in direction, redesign, scaling and related factors affecting timing, and playability caused or impacted by delays caused by 3rd party contractors, will first be disclosed and conveyed to IMU and any and all additional costs must be quoted and corrected within said adjusted time and budget based solely on an agreed amount in advance, confirmed in writing in advance by IMU.

KK will be paid a base compensation as a draw, per Schedule "A", against agreed invoices to IMU, not to exceed US \$13,000 monthly as agreed which shall be subject to review and amendment on a specified incremental basis as set out in Schedule "A", paid within 30-days of closing a first round of funding.

3. COMMUNICATION AND NOTICE

- a. KK shall bear full responsibility to furnish IMU, as a bare minimum, directly or for personnel overseen by KK with detailed daily written email progress reports as required including status of specified work items, elements, or programs or related developmental and or higher works being performed including but not limited to percentage stage of completion against targeted timeline of specific dates
- b. KK shall accompany such email reports with all suitable documents, images, copies of code or such equivalents, if any, so that all Intellectual Property of IMU hereunder can be suitably protected. KK shall also bear direct responsibility for appropriate secure protection of all Confidential IPR provided to KK by IMU hereunder. This includes as and where necessary by legal process. Identification of work unit progress or any issues with the conditions or adjustments or issues, requiring clarification or modification or other such evaluation by IMU.
- c. IMU shall prepare and supply to KK all such relevant information and details as appropriate to KK's preparation of funding requirements, investment tranches and timing suitable to allow for his success as earlier prescribed and detailed above. All communications between KK and IMU shall be transparent based on full, complete, plain and true disclosure and external disclosures will be made by KK without prior written consent from IMU.
- d. KK shall give a regular weekly financing report in both IMU Writer's Meetings, every Tuesday at 2 PM Pacific and IMU Art Meetings every Friday at 12 PM Pacific on Skype.

INDEPENDENT SERVICES AGREEMENT [ISA]

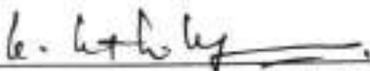

4. Dispute Resolution

Any and all disputes or claims between the parties hereto arising out of this ISA shall be resolved by submission of the same for resolution by Alternate Dispute Resolution according to the Province of B.C., CANADA Rules relating thereto. In so agreeing the parties expressly waive their right to further judicial proceedings of any kind whatsoever, if any, on these issues and further agree that the award of the ADR award shall be final and binding upon them as though rendered by a court of law and shall be enforceable in any court having Jurisdiction over the same.

IN WITNESS WHEREOF, this Agreement has been executed as of the date first mentioned above.

SCHEDULE "A"

This schedule sets out the detailed technical requirements, timelines, responsibilities and authorities for the ISA services provider to properly undertake and complete the agreed assignment generically documented herein. No intent is made to cover all of the range of possibilities and the agreement shall remain open to clarification based upon full, transparent detailed disclosure on a continuous basis as Standard Operating Procedure.

1. Limited Partnership Participation:

IMU Studios developed IP valued was established at US\$20 Million Minimum as of December 2021. Development advances and resulting increases in valuation will be adjusted from time to time. As such an increase of the Valuation of the indicated 100,000 Limited Partnership Units will necessarily reflect continuing improvements. The Value per Unit will therefore be individually adjusted based on date of execution of the IS Agreement for each participant. The total available number of Limited Partnership units remains the same but the per unit value will increase accordingly.

INDEPENDENT SERVICES AGREEMENT [ISA]

Initially, against a total of 100,000 Limited Partnership Units the value per Unit was fixed at US \$200 issuable against achieved performance as set out in Schedule "A"

IMU hereby grants Performance and Successful delivery Options to KK up to 5000 LP Units based upon a current IP value of not less than US\$1,000,000 future value subject to successful post-delivery performance hereunder where KK has the right to exercise the 5 Options of 1000 Units Per Option at a cost of \$1 dollar cost per 100 LP Unit Options exercised.

These Options are likely to be diluted by subsequent Investment Capital. Thus the 5 Options of current totaling up of 5000 units being a maximum of 5% of the existing IP Valuation but percentage dilution will be offset by increases in Unit price as success in Services delivery enhances IP Valuation going forward.

Options allocated for KK may be exercised by KK at his sole direction and discretion following successful performance and delivery of the 5-proposed vesting stages proposed below. These units are in addition to existing issued Limited Partnership units. Each and every subsequent investment Limited Partnership funding will necessarily result in further dilution.

The right to exercise is based upon successful completion of the to be agreed 5 milestone events and outlined on a preliminary basis as below.

2. **Direct Compensation cap** of US \$13,000/month for 200 hours per month [to be paid 2-weeks following each month end]. Beginning upon IMU's receipt of a large enough Budget from Investment Contract proceeds from Lawyer's Trust. It is agreed this limitation will be reviewed every 6-months from the date of this Agreement.

KK will invoice at the end of each month. Payment is to be paid 2-weeks following each month end. With the understanding that the initial invoices will not be paid out until sufficient funding is available to do so.

3. **A three-year Independent Services Agreement [ISA]**, with annual compensation variably linked directly to performance and deliverables (set out herein). This is to include a formal review at the end of each 36-month period beginning three-years from the date of this Agreement.
