## My Skill's

- Subject Matter Expertise
- Effective Communication
- Instructional Design
- Industry-specific Skills
- Presentation Skills
- Facilitation Techniques
- Technology Proficiency
- Multilingual Proficiency

## Education Background

- **Aircraft Maintenance Engineer (AME):** With a strong foundation in aircraft maintenance and repair, I ensure utmost safety and adherence to aviation regulations. My precision and attention to detail have earned me a reputation for upholding the highest standards in the aviation industry.
- **B-Tech Electronics & Communication Engineer:** Equipped with a Bachelor's degree in Electronics & Communication Engineering, I possess a comprehensive understanding of advanced technologies and their applications across diverse sectors.

## About Me

I am G. Anish Kumar, a highly accomplished professional with a diverse background in Aviation, Electronics & Communication Engineering and NI LabVIEW Training and Certification expertise. I am passionate about research and development, mentoring young minds, and collaborating with industries to drive innovation. As the Director of Aadhya Skills Research and Development, I am committed to fostering excellence and empowering individuals and organizations with cutting-edge skills.

## Professional Experience

- Trained over 7,500+ Engineers.
- Expert in NI LabVIEW Training and Global Certification
- Produced 5000+ CLAD Global Certified Engineers
- Produced 100+ CLD Global Certified Engineers
- Spent over 1000+ hours in Training both academic and industrial engineers.
- Mentored 2000+ Engineering projects.
- Equipped 1000+ students to participate in National and International level competetions.

### Key Skills:

- Mentoring & Training
- Industry Collaboration
- Project Management
- Innovation & Problem Solving

## Achievements

- **NI LabVIEW Certification:** As a certified NI LabVIEW expert, I leverage this powerful platform to develop innovative solutions for complex engineering challenges, enhancing efficiency and performance across industries.
- **Training World-Class Competitors:** I take pride in training and preparing students for world-class competitions, nurturing their talents and helping them reach their full potential.
- **Best NI Academy Award:** For four consecutive years, I actively supported universities in achieving the prestigious NI Academy Award by delivering top-notch education and training in LabVIEW and other engineering disciplines.
- **Industry Collaboration:** Through successful collaborations with multiple industries, I have facilitated the seamless integration of cutting-edge technologies into real-world applications.
- **Mentoring Research Projects:** My expertise lies in mentoring research projects, where I provide guidance and support to aspiring scientists, resulting in numerous successful and impactful innovative projects.
