

Thesis Research Proposal.

Literature is a form of human expression. Literature not only describes reality but also adds to it. Literary works are portrayals of the thinking patterns and social norms prevalent in society. Cultural studies is an important part as it is an innovative field of research. The mythological works in literature portrays the importance of culture prevailed in those times and my study focuses on the concept of cultural importance in the field of mythological works by Devdutt Pattanaik who illustrates the relevance of mythology in modern times.
