Sir/ Madam

Sub: - Undertaking regarding Transfer certificate for the admission of part time PhD in management studies.

This is to kindly bring to your notice that I would like to be a part time research scholar in your esteemed institution, I had done my MTech degree last under University of Kerala. Since the registration closing date is 25 Jan and I was out of station, I couldn't obtain a Transfer certificate soon.

Hence, I am putting forth an undertaking that I will be producing the Transfer Certificate, if I will be selected for the part time PhD management batch 2020-21 in your prestigious institution.

Hoping you would kindly do consider my matter in this regard.
